

## MFL Curriculum Key Stage 4

### **Intent:**

To provide an opening to other cultures; foster children's curiosity of language learning and culture; deepen their understanding of the world; learn new ways of thinking.

Modern foreign languages at Christ the King College aims to foster pupils' curiosity and deepen their understanding of the world. Our curriculum is designed to enable pupils to express their ideas and thoughts in another language and to understand and respond to its speakers, both in speech and in writing. The curriculum aims to provide opportunities for students to communicate for practical purposes; and equip pupils to study and work in other countries. Our curriculum also aims to enable students to broaden their understanding of Christianity and Christian worship in Hispanic / Francophone countries.
