KS4 (AQA GCSE French)

Curriculum Overview

The Year 10 GCSE French course follows the AQA new revised curriculum content and assessment for Modern Foreign Languages as set out by the Department for Education. The course seeks to equip students with knowledge and confidence they can use both inside as well as outside of the classroom whilst ensuring that content is engaging and relevant. The course is designed to inspire and engage students of all abilities. The course looks at aspects of culture of the wider French-speaking world is one of the aspects of language learning which excites students and brings the subject alive and it was important to us that this was clearly represented. This is why we've designed a specification that can help build your students' cultural knowledge alongside their language skills.
