Why you should study…

BTEC IT

at Christ the King College

- BTEC IT is much more flexible and accessible than an A-Level qualification, it involves coursework and exams that allow opportunities to resit and improve if necessary (unlike a traditonal A-Level)
- It has links with any subject or future career
- This is a brand new course for 2025 and it teaches up to date content including cyber security and databases
- Specialist teachers
- Excellent results with many students achieving Distinction or Distinction*
- Broad range of career opportunities
  Employers expect knowledge of IT and Digital skills in nearly every profession
