

CHRIST THE KING COLLEGE

PARENT HANDBOOK

2026 - 2027

The Way, The Truth, The Life

Welcome to Christ the King College.

We are proud to be the only joint Church of England and Catholic Secondary College on the Isle of Wight.

Our mission is to combine high academic standards with strong moral and spiritual guidance. We believe that every student is a unique individual, and we work in partnership with parents to ensure they become responsible, caring citizens.

Despite expanding our student numbers to the current roll of 1,200, we have maintained our distinctive family ethos and high levels of pastoral care.

Attendance

Attendance Expectations

At Christ the King College, we believe that **every school day matters**. Research shows that for every 10% reduction in attendance, GCSE grades can drop by one grade.

All students should aim for **100% attendance** to ensure they reach their full potential.

The Department for Education defines students with **attendance below 90%** as *persistent absence*. The College records all absences as either authorised or unauthorised and has a duty of care, in partnership with the local authority, to challenge poor attendance.

Where attendance is a concern, parents/carers may be contacted to attend a meeting with the College and local authority to discuss support strategies.

Reporting a Child Absent

Parents/carers have a legal responsibility to report a student's absence to the College by **8:45 am on each day of absence** (unless the College is closed). This should be done via the Compass app.

Alternatively, absence must be reported by telephone (01983 537070 and select option 2) before **8:45 am** each day, clearly stating the reason for absence.

If your child is absent for more than one day, please keep in touch so we can support them and stay informed.

Medical and Dental Appointments

Where possible, routine medical and dental appointments should be arranged **outside of the College day**.

If this is not possible, students are expected to attend College **before and after** their appointment. Evidence of the appointment (such as a card or letter) must be provided for the absence to be authorised.

Attendance and Absence

Except in cases of illness, emergency, or other exceptional circumstances, students must not be absent from College without permission.

Parents/carers who are considering taking their child out of College during term time must submit an [Absence Request Form](#), preferably at least two weeks in advance. These forms are available from Student Services or the Main College Reception. A Google Form link is also available for this purpose.

Please note that only **exceptional circumstances** will be authorised at the Headteacher's discretion. The College will consider the impact of any absence on a student's learning and overall education before making a decision.

Lates

The school day starts at **8.50 am** after this time the main student gates will close. Students will then need to enter the school via the late gate that is open until **9.10am**. After this time students enter the school through reception.

Any student who arrives late without an authorised reason will be marked as late.

When a student is given late arrival marks, without valid reasons, they may be issued with a 1 hour detention after school on Friday.

If a student is late to a lesson they will also get a late mark. If 3 late points are given in a week they will receive a lunchtime detention.

Transport

Application forms for all students entitled to home to school transport will be provided to you via County Hall. For the latest transport information, please visit the Council's School Transport webpage: <https://www.iow.gov.uk/Residents/>

Schools-and-Learning/School-Transport/Home-to-School-Transport or contact the School Transport Team via email: transport.info@IOW.gov.uk or by phone 01983 823780.

On the first morning of the new academic year, only those students who are eligible for free home to school transport will be permitted to travel on the school bus without a 'Scholars Term Ticket'. Term tickets will be delivered to eligible students on the first day of the academic term in readiness for the journey home. We will also be issued with term tickets, and student lists for contracted home to school bus services.

Section 2: Communications and payments

Protocol for Communication

We aim to work in partnership with our parents and realise that there will be times when you need to make contact with us.

Please be assured that your enquiry will be directed to the most relevant person to respond but due to staff work commitments we ask that you allow 48 hours for a response from the member of staff.

The first point of contact for students and parents should be the form tutor or their Year Group Leader who will know the student best and will hopefully be able to respond.

Parents are required to make an appointment before visiting the school. Whilst we welcome parents to Christ the King College, it is not possible to arrive at reception and expect us to meet requests for a same-day meeting with staff.

The College values strong partnerships with our parents and carers, and we ask that all interactions with staff, students, and other parents are conducted respectfully and responsibly. Parents are expected to communicate in a calm and courteous manner, whether in person, by phone, or in writing. Aggressive, abusive, or threatening behaviour towards staff, students, or other parents will not be tolerated and may result in restricted access to the College or further action as deemed necessary. By working together in a respectful way, we can create a safe and positive environment for all members of our College community.

Outside of hours or during school holidays urgent matters can be reported using the email address emergency@christthekingcollege.co.uk

Newsletters

We send out a weekly newsletter from the Headteacher and also a half termly bumper newsletter that covers what's been going on in College, good news and important information. Please ensure that we have up to date contact details for you, these can be updated directly by you via the Compass App or by calling the school office.

Please let us know of any success your child has outside of school to admin@christthekingcollege.co.uk

Compass is our web-based MIS system used at Christ the King College.

Using our Compass Parent Portal you will be able to:

- Access your child's School Reports
- View up-to-date class and school attendance information
- Approve or enter upcoming or past absences for your child
- Opt in, provide consent and provide payment for school trips & visits
- Pay for school trips/events, school dinners, view the items your child bought in the canteen and order and pay for other school shop items or trips
- Update your registered email and mobile number (used for SMS alerts) details
- Access information regarding upcoming events, the College calendar and news

...and more

You will be receiving a separate email with your log in details for the Compass Parent Portal. Compass is accessible on any modern web browser or by using the 'Compass School Manager' app available for iOS or Android. To access our Parent Portal, go to <https://christthekingcollege-uk.compass.education/> or follow the link in the log in/welcome email you will receive. But we encourage our parents to download the app version to see more information and receive notifications from the school.

Upon the first login, you will be required to change your temporary password and confirm your email address and mobile phone number. Please find the link to the [Parent Guide](#) which contains further information about the account setup process and how to use the Compass Parent Portal.

Section 3: Uniform & Equipment

It is expected that all students will come to school every day in neat, clean, uniform, giving the message that our students take pride in belonging to their College. The support of parents and carers is essential to this process. We expect students to wear our uniform correctly and appropriately.

Uniform

All uniform, non branded and optional items, can be purchased from:

Big Wight T-Shirt
Daish Way
Dodnor Industrial Estate
Newport
Isle of Wight
PO30 5XB

01983 532333

Compulsory Branded Items

- Purple Blazer
- College Tie
- Purple Tartan skirt
- School lanyard and ID card (This will be given to new students, however if lost must be replaced via the shop on Compass)

Compulsory PE Kit Branded Items

- PE Top

Compulsory Non Branded Items

- White shirt/blouse
- Black tailored trousers (no leggings or denim)
- Black socks or tights (ankle or knee length socks)
- Black Shoes
- Mobile Phone Pouch (Hush pouch)

Compulsory PE Kit Non Branded

- Black Sports shorts/Skort/Black Tracksuit bottoms
- Trainers/Football boots
- Black Socks

Optional Items

- Grey V-neck Jumper
- Black PE Hoodie

Acceptable Shoes

Shoes should be leather, polishable, plain black and suitable for school.

Jewellery

The College rules on jewellery are as follows:

- A smart and sensible wrist watch may be worn. **Not a SMART watch**
- Other discrete jewellery, such as wrist watches, wrist bands, single necklace, are permitted

Hairstyles and Headwear

The school reserves the right to make a judgement on whether a student's hairstyle, hair colour or headwear is inappropriate for the school environment; however, the school will ensure that any such judgements do not discriminate against any pupil by virtue of their protected characteristics.

Each individual student's scenario will be taken into account where any judgements on appropriateness are to be made, and parent/carers will always have the freedom to complain via the school's Complaints Procedures Policy.

Pupils with long hair must ensure that this does not impede their vision, or cause a health and safety risk. Long hair must be tied up during practical lessons, e.g. during PE.

The following hairstyles, hair colours and headwear are not considered appropriate for school:

- No extreme hairstyles or shades of colour
- Headwear with bold patterns or colours
- Excessive hair accessories
- Headwear featuring inappropriate words or images

Make-Up and Cosmetics

The school rules on makeup and cosmetics are as follows:

- Only natural-looking, discreet makeup is permitted
- False nails and nail extensions are not permitted
- Tattoos are not permitted

Pupils wearing excessive makeup will be required to remove it.

Mobile Devices

At Christ the King College we operate a mobile phone pouch system. Students are required to lock their phone in their phone pouch before entering the College gates. If a student is found to be in possession of a mobile phone during the school day and not locked in their pouch, they will be given sanctions in line with our Behaviour Policy.

The phone pouch is a compulsory item and must be purchased for Year 7 students before the start of the academic year. These can be purchased from the Big White T-shirt when purchasing your uniform for £10.00. If it is lost during the academic year it is an expectation that a replacement is purchased; this can be done via the Compass App 'Shop' this will then be given to the student in school when payment is received.

Phone pouches can be unlocked at the end of the day using the magnet stations placed around the school grounds by exit points.

Equipment

It is expected that every student should attend school each day with the basic equipment listed below.

Section 4: Teaching, Learning and Assessment

Assessment and Reports

Each parent/carer will receive at least three contact points throughout the academic year, generally one each term, whether that be a school report, a parents evening or an event.

For more information regarding our assessment please visit our website.

Homework

We believe that independent learning plays an important part in education and the benefit of empowering students to take ownership of their learning must be instilled at an early age so that independent study can be achieved. When children turn into adults, they will have to manage their studies independently. Independent learning will build effective skills that are essential to becoming a lifelong learner.

Dear Students

Please see attached your Y7 French vocabulary booklet for this academic year in pdf and word formats. You will also receive a copy of this booklet to take home with you.

Weekly homework is to practice the vocabulary in preparation for your lessons. This vocabulary will support you during lessons.

Homework is set centrally. It is normally set and due on Mondays.

You will receive a new login for Languagenut (if you have not already received this) which is our language learning platform <https://www.languagenut.com/>

Details of weekly homework tasks will appear on your Google Classroom page, full details of which will be given to you shortly

In the meantime, please use the attached booklet to practice the numbers vocabulary on page 2. We ask that you complete this by Monday 15th September.

Merci

Mme Robinson

Students will receive most homework on a weekly basis which will be returned at the time and date as specified by the class teacher. The deadlines for are as follows:

French: Monday 7pm

English: Tuesday 7pm

Maths: Wednesday 7pm

Science: Thursday 7pm

In addition to this homework, students will also receive spellings from English and/or RE. In key stage 4 they will also receive homework from their options subjects but this will not be weekly and teachers have the discretion to set their own deadlines.

Students' weekly homework activity will be designed to take around 45 minutes – 2 hours, depending on the age of the student.

Sparx

Sparx is a suite of online learning tools used by schools to set and manage homework in **Maths, Science, and Reading**. It uses an algorithm to tailor work to each child's specific ability level, ensuring it is challenging but achievable.

Sparx Maths

- **Goal:** 100% completion of the set tasks.
- **How it works:** If a student gets a question wrong, they are given a second chance. If they are still stuck, they can watch a short **support video** for that specific problem.
- **Bookwork:** Students must write their workings in a notebook. The system will randomly perform "Bookwork Checks" by asking for a code they wrote down to prevent guessing.

Sparx Science

- **Goal:** 100% completion of the set tasks.
- **How it works:** Similar to Maths, it focuses on recalling facts and applying scientific concepts. It uses "spaced repetition" to help students remember topics they learned weeks or months ago.
- **Support:** If a student struggles, the system provides **re-teaching content** or animations to explain the concept before letting them try again with a "scaffolded" (easier) version of the question.

Sparx Reader

- **Goal:** Reaching a weekly "Points" target (e.g., 300 SRP).
- **How it works:** Students read digital books matched to their reading level. To ensure they are reading carefully, the system stops them every few pages to ask quick **comprehension questions**.
- **Accuracy Matters:** If they rush or guess the questions, they earn fewer points and will have to read for much longer to finish.

Top Tip for Parents

The most important rule is to **let your child work independently**. Sparx learns from their mistakes; if you provide the answers, the system will think they are more advanced than they are and will automatically make next week's homework much harder and more frustrating for them.

Students are set weekly homework as outlined below.

Section 6: Other Information

Extra Curricular Opportunities

There are a number of clubs and opportunities available for all students, as well as College trips. A full list of the extra curricular opportunities on offer will be published at the beginning of every half term and available on the Compass app and College website. Trips are advertised via the Compass App.

Free school meals & Pupil Premium

The government has introduced new categories for Free School Meals, meaning more families may now be eligible for support. Please find the key updates and details on how to apply below.

What is changing?

The DfE has introduced two main categories for Free School Meals:

- Targeted FSM: This is the existing criteria. It covers pupils in households receiving Universal Credit with an annual household income of £7,400 or less.
- Expanded FSM: This is a brand-new category! It covers pupils who do not meet the Targeted FSM threshold but whose households still receive Universal Credit.

Additionally, Transitional Protection is ending on 31st July 2026. If your child's eligibility is affected by this, please rest assured that schools will still receive the necessary funding to support them.

Do I need to apply?

1. If your child is ALREADY receiving Free School Meals:

You do not need to do anything right now. You do not need to re-apply. A review will be carried out over the summer holidays to automatically check your continued entitlement for the new school year.

2. If you think you qualify under the new "Expanded FSM" criteria:

If you receive Universal Credit but your household income is above £7,400, you may now be eligible under the new rules. We highly encourage you to apply.

How to Apply

Applications are open now. You can apply quickly online using the local authority's portal:

[!\[\]\(de95854c7ee024cfadc48187bbb781b2_img.jpg\) Apply Online via the Citizen Portal](#)

 **Important Note for Online Applicants:** The online system is currently being updated and does not yet automatically recognise the new "Expanded FSM" criteria. If you apply under the new Expanded criteria, the system may initially show a "Not Eligible" result.

Please do not worry if you see this. Our team will be manually checking all of these applications over the summer and will contact you directly to confirm your eligibility.

No internet access?

If you cannot access the online portal, you can complete a paper application form. Please contact the school office to request a copy. *Please note that paper forms take longer to process, and you will not receive an immediate response.*

Why apply?

Registering for official Free School Meals is incredibly important. It ensures our school receives vital extra funding (Pupil Premium) to support your child's education, resources, and extracurricular activities.

If you have any questions or need help with your application, please don't hesitate to contact us.

Lunch Arrangements

We have two lunch breaks at Christ the King, Year 7, 11 and Sixth Form go to lunch at 12.40pm-1.10pm and Years 8,9,10 at 1.40pm-2.10pm.

All students automatically have a Compass cashless catering account. As we are a cashless school the account will need to be topped up with funds via the Wallet on the Compass App. We do also accept card payments at the till.

The meal deal currently costs £3.30 (subject to change), this consists of a hot or cold meal deal, often including a main course, a dessert or a drink.

Student Medication Policy & Procedures

At Christ the King College, we are committed to ensuring the health and safety of all our students. To provide the best possible care, it is vital that our medical records are accurate and up to date this includes information on Allergies.

Emergency & Self-Administered Medication

We recognise that some students must carry emergency medication, such as **asthma inhalers or adrenaline auto-injectors (AAIs/EpiPens)**.

If your child carries their own emergency medication, please notify the school office immediately. This ensures that in the event of a medical emergency, staff are aware of the medication's location and can provide swift assistance. For students with long-term conditions, we will work with you to maintain an **Individual Healthcare Plan (IHP)**.

General Medication Guidelines

To maintain a safe environment for all, students are **not permitted** to carry any other medications (prescription or non-prescription) on their person during school hours.

- **Parental Consent:** All medication administered on school grounds requires a completed and signed [parental consent form](#).
- **Storage:** All medication must be handed into **Student Support** for secure storage.
- **Original Packaging:** Medication will only be accepted if it is in its **original pharmacy container**, as dispensed.

Labelling Requirements

For the safety of your child, the original pharmacy label must be clear and include:

- **Full Name** of the student.
- **Name and Strength** of the medication.
- **Dosage and Frequency** of administration.
- **Route of administration** (e.g., oral, inhaled).
- **Expiry Date** of the medication.
- **Date of Dispensing** and the name of the prescribing physician.

Note: It is the responsibility of the parent/carer to ensure that all medication kept at school is within its expiry date and that a replacement is provided before the current supply expires.

Action Required

Please submit all medical updates to Student Support. If medication is to be held in school please complete this form [Parental Agreement for School to administer medication](#). If you have any questions regarding your child's medical needs, please do not hesitate to contact our Student Support team.

Lockers

Section 7 Fundraising

Building Fund

At Christ the King College, we are proud of the faith-based educational journey that we provide and we are constantly looking for new ways to improve our student experience.

However, you may or may not be aware that, as a faith based school, we receive no additional funding. Unlike other countries, the privileges of receiving a faith based education in our country is free to parents.

For the benefit of new parents to Christ the King College, as a Voluntary Aided faith school, we must raise 10% of our building and improvement costs from parental contributions, so we invite parents to support our Governors 'Building Fund with a voluntary contribution of £10 per child per month (or £120 per year).

You will receive an invoice for the Building Fund contributions at the beginning of each academic year via the Compass portal. Parents have the option to change the amount they wish to contribute (from the default of £120 p.a.) and are also able to choose to pay their contributions in instalments over monthly payments. If you are a UK taxpayer, completing a [Gift Aid form](#) boosts your donation by 25% at no extra cost to you, turning £120 into £150 for the College.

School Lottery

🎉 Support Our School & Win Big! 🎉

We're encouraging all parents and carers to sign up for the school lottery — it's a simple way to help raise vital funds for our children while having a chance to win some great prizes!

All Christ the King College supporters are entered into the weekly lottery prize fund and one supporter is guaranteed to win. The more supporters join our lottery, the bigger the weekly CTK prize fund.

Every ticket sold makes a real difference, supporting activities, resources, and opportunities for our pupils.

💙 It only takes a minute to join

💙 Small cost, big impact

💙 Weekly chances to win!

Let's come together as a community and make it count 🙌

👉 [Sign up today and help our school thrive!](#)

Recycle Textiles

Textiles are the UK's fastest growing household waste stream and people sometimes forget that it's just as important to recycle your old clothes as some of the more obvious items like newspapers and bottles.

Through this scheme we are helping to divert more clothes from landfill and giving them a new lease of life, whilst raising money for Christ the King College.

We have two clothes banks positioned at the front of the school where items can be dropped off.

After February half term until October Half term we have weekly Friday visits from Plaza Ices for Ice Cream Friday's. We are given a percentage of the sales to add to our fundraising pot.

Plaza Ices offer a student special of a whippy and flake for £2.00.
